

CHAD SLOAN

Campus Pastor

ABOUT ME

My name is James Chadwick Sloan. My beautiful wife, Sarah, and I have four incredible children. I have been in ministry full time for 11 years. In 2008 I was ordained and have launched 5 multisite campuses and one international campus. I have been the campus pastor for 4 of our campuses including the broadcast campus. My mission is to create environments where people can become fully devoted followers of Christ within the context of a local church. My goal is to support the leadership of a local church as they fulfill their God given vision to reach people for Jesus Christ.
